For Immediate Release

**Teddy Bears Abound Bringing Holiday Comfort & Joy
To Children at NY, CT & MA Children's Hospital**

**Twas the holiday season and throughout hospital halls,
Teddy bears were stirring, both big ones and small.
Bringing best wishes and happiness too,
They came in a big truck with a William B. Meyer, Inc. crew.
Visiting children of all ages and spreading good cheer,
Teddy bears are Meyer's way of saying
Happy Holidays this year.**

(Stratford, CT) What could be worse for a child than spending the holiday season in a hospital? Hundreds of children in area hospitals will know they were thought of this holiday season as teddy bears made their way to numerous children's hospitals throughout the Northeast. Bringing comfort and joy, the teddy bears arrived at Baystate Children's Hospital in Springfield, MA, Connecticut Children's Medical Center in Hartford, CT; and Maria Fareri Children's Hospital in Valhalla, NY, courtesy of William B. Meyer, Inc. William B. Meyer, Inc., headquartered in Stratford, CT, is one of the largest transportation, storage and logistics providers in the Northeast and an agent for United Van Lines.

"With the holiday season underway, all of us at William B. Meyer, Inc. reflected upon how fortunate we are and how we could make a difference in our community. So we decided to try to spread some holiday cheer to the children in area hospitals with a gift of teddy bears. We hope these teddy bears make them smile because putting a smile on a child's face is priceless." stated Tom Gillon, President, William B. Meyer, Inc. "Giving is an integral aspect of our company's philosophy. Our thoughts and prayers go with these teddy bears for speedy recoveries."

The teddy bears are being distributed to all the patients in these children's hospitals and will be given to children in outpatient programs as well throughout the holiday season.

William B. Meyer, Inc. also donated bears to the Fairfield Holiday Run which they sponsor each year to benefit the Fairfield Police Benevolent Association's holiday toy drive. These toys and teddy bears are being distributed to Bridgeport Hospital Pediatric Unit; Bridgeport Hospital Newborn Intensive Care Unit; Yale New Haven Hospital Newborn Intensive Care Unit and the American Medical Response Toy Collection. In addition, William B. Meyer, Inc. made donations of teddy bears to St. Vincent's Hospital Emergency Room and the Cardinal Shehan Center's Holiday Toy Drive in Bridgeport, CT.
